RETT'S
ROOST
FUNDING

A sanctuary for families with a child afflicted by cancer, offering a community of loving kindness and supportive activities in a peaceful, natural setting to ease their experience with the disease.

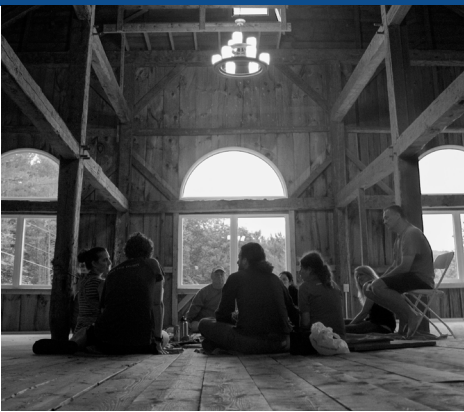

RETT'S ROOST

2016

"What a thoughtful organization Rett's Roost is. Every detail of our 'Transitioning offcare' retreat was well thought out. We are blessed to have been surrounded by such wonderful families, people who know what this journey is like."

"Grief can be terribly isolating and this retreat helped us to feel we're not alone. Rett's Roost treated all of the families with compassion and love, while honoring our beautiful children. We came out from the weekend recharged, connected, and with hope of healing."

"We are gathered this week,
To learn how to live.
How do we bring the joy back?
And heal our hearts?"
